## SATURDAY SELECTS

*A weekly Saturday recap to share with you our favorite links, discoveries, exhibitions, and more from the past seven days. This week: a new destination in Paris with a rooftop sauna, a Faye Toogood sofa that makes cement look downright cozy, and a modern collection of Judaica – i.e. a unicorn.*

### Interiors

The Parisian hotel brand Orso is opening a new hotel this month in Paris's 15th arrondissement. Called Hôtel Wallace, the hotel was designed by [Hauvette and Madani](#), and features, among other things, a cute terrazzo-tiled floor, a sauna, and – am I reading this correctly? – an open-air Scandinavian bath on the [roof!](#)
